

MARKET REPORT

Date 30th/06/014

SUBJECT

The potential customers

Our potential customers are the recyclers and collectors.

How large is the market

We still don't know but it will depend on how many recyclers and garbage collectors we will have.

Our competition

We don't have any competitors because this is an untapped business.

Market share

Our market share will depend on the number of the recyclers and garbage collectors we will have

Our strategic

We will use tweeter because most of the people in tweeter talk more on businessess.
